Rock Candie is a pretty, witty, and chic paperie boutique.

We make personalized invitations, cards, and paper goods.

Thank You and Congratulations!

Hi, I'm Candace Ryan (more commonly known as Candie), founder of Rock Candie Designs.

Congratulations on your engagement and upcoming wedding! I'm so excited to hear your story and get to know you!

My passion is to create a branded look for your wedding or event by designing a cohesive set of stationery—from save-the-dates to invitations, all the way through to day-of paper and thank you cards.

Your wedding stationery is more than just paper; it is an experience, a tactile story of your event, and a keepsake for your guests.

Thanks for your interest in working with me. I look forward to hearing your love story soon!

WHAT TO EXPECT

Design Options & Processes

We offer two options for wedding invitation suites.

1

Start from scratch.

We create original designs to bring your big-day vision to life.

2

Choose one of our ready-made invitations and customize it with your colors and info.

This one's best if you aren't sure what you want or are under a time crunch! Go to next page if you're choosing this option.

WHAT TO EXPECT

Option 1: Original Designs

Our goal is to create your dream wedding invitation suite that represents YOU. Here's how we do it:

- 1 We want to hear your love story and get to know you. We'll chat with you in person if you're local, or online if you're not.
- 2 During our appointment, you'll show us your colors and inspiration photos, so we can understand your style and vision. If you're a paper addict like us, we can show you different paper and envelope options.
- 3 At this point, we'll develop 3 invitation concepts. Choose your favorite or let us know which elements of each you like. We'll send unlimited proofs until the design is just right.
- 4 When the invitation is done, we'll work on the RSVP and other elements of the suite that you've chosen, so that all pieces are cohesive.
- 5 After your final approval, it's time to print. Print time is dependent on quantity and pieces in your suite, so we'll discuss all printing, assembly, and shipping options.
- 6 Your dream invitation suite is ready to go out to all your favorite people.

WHAT TO EXPECT

Option 2: Customizable Template Designs

Our pre-designed, customizable templates are an easy way to send your invites out the door in a flash.

Here's all you need to do:

- 1 Go to <https://www.rockcandiedesigns.com/wedding-stationery> and choose your favorite template.
- 2 Send us your wedding details and colors and choose the pieces that you want to include in your suite (RSVPs, extra info card, etc.).
- 3 Within 1-3 days, we'll send your personalized proofs. If you have edits, let us know. We'll do everything we can to ensure that you love your invites.
- 4 Once you sign off on the proofs, we'll discuss paper options and get printing! Print time is dependent on quantity and pieces in your suite, so we'll discuss all printing, assembly, and shipping options.
- 5 Your tailor-made invitation suite either arrives at your doorstep, or, if you're local and in a rush, I'll drop them off to you ASAP!
